## HISTORY

Founded in 1114 by Leopold III (Saint Leopold the Good), Weingut Stift Klosterneuburg is Austria's oldest wine estate. According to the legend, Margrave Leopold III founded the Klosterneuburg Abbey at the place where he found the wedding veil of his wife Agnes, which had been blown off her head on their wedding day. The foundation stone was laid on 12 June 1114. In 1133 the Order of the Augustinian Canons settled at Klosterneuburg upon Leopold's initiative.

With 108 Hectares of vineyards it is one of the country's largest and most renowned estates. The vineyards are situated in selected top locations in Klosterneuburg, Vienna, Gumpoldskirchen and Tattendorf.

With nearly 1,000 years of history, the Augustinian Canons continue to innovate while being rooted in tradition, from founding a school of viticulture and oenology -where the varietal Zweigelt was crossed- to contemplating and planning about the future, becoming Europe's first carbon neutral winery in 2009.

## VINIFICATION and MATURATION

Hand harvested, de-stemmed, pressed. Skin contact for 2 hours, aged in stainless steel for 7 months before bottling.

### VINEYARD

Surrounded by the slopes of the Nußberg, the Kahlenberg and the Leopoldsberg are bordered on the east by the Danube. South-southeast facing, 190-260m, weathered limestone soil with a top layer of loess and clay.
