HISTORY

What started in 1737 with 40 hectares, today spans 150 hectares across three vineyards sites that all over look the Garonne River across Entre-deux-Mers and Cadillac Côtes du Bordeaux.

The current generation, sisters Sophie and Carole, manage the estate today with Sophie managing business administration and exports and Carole continuing to work alongside their father in the vineyards and cellar with winery dog Bruno.

Each vineyard site is managed sustainably with the utmost respect for the environment and surrounding ecosystems.
