## HISTORY

Established in 1717 in Vacqueyras, the Arnoux family is one of the oldest and few remaining family estates. Over the past three centuries, the Arnoux family domain has expanded its holdings to about 85 acres of choice land on the Plateau des Garrigues.

In 1936, paterfamilias Aime began contracting with neighbors to expand access to nearby appellations, including Gigondas and Chateauneuf. These wines, made by the Arnoux family for nearly a century, are made with the same care and from vines of the same quality as the family's personal holdings. Aimé was succeeded by his sons Jean-Marie and Régis.

Today, the the family business is managed by Jean Marie's sons, Marc and Jean-François, who are the 15th generation of the family to farm these lands.
